English 1	N/A	86.5
Physical Science	N/A	57.5
US History and the Constitution	N/A	N/A
All Subjects	80.0	88.2

SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

Percent satisfied with learning environment	95.8%	78.9%	86.4%
Percent satisfied with social and physical environment	87.0%	85.7%	68.2%
Percent satisfied with school-home relations	83.3%	91.1%	81.8%

*Only students at the highest middle school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Haut Gap Middle School has experienced an exciting year as we moved into a beautiful, state-of-the-art building and went on to complete the inaugural year of our advanced studies magnet program. Our Title I school of over 250 students is located in the rapidly growing, rural community of John's Island. In a caring and safe atmosphere, teachers are challenged to inspire and instill a love of learning, as well as to provide a rigorous academic program that meets the needs of all learners. Progress was evidenced as Haut Gap advanced to an average growth rating from at-risk and attained a below-average absolute rating from at-risk. Data obtained from PASS scores, MAP reports, classroom observations, and analysis of student work reflected a need for differentiated instruction in addition to targeted instruction to increase student achievement. Reading and math were given priority. Voyager Reading and Voyager Math were instituted to meet the needs of students scoring in the 25th to 50th percentile on the MAP tests for reading and math. Daily fifty-minute small group reading classes were provided for all students utilizing high-interest adolescent literature. Students scoring below the 25th percentile participated in the Language program and Trans-math. In addition, Marzano's strategies for developing vocabulary were taught daily to all students in every content area. To further meet the needs of all learners, ELA and math teachers provided weekly after-school tutoring sessions. Math initiatives included vertical planning sessions, cross grade level instruction, and RIT band instruction in the classroom. Technology played an integral part of the learning environment with Smart boards and student response systems being utilized in all classrooms to enrich and motivate. All teachers participated in the New Literacies course taught and sponsored by the College of Charleston. Our many partners have worked to strengthen and expand our academic program at ASM-HG. Our alliance with the Environmental Immersion Program served to continue to connect context throughout all content areas, while the AVID program worked to support student academic growth for those students needing additional assistance. Through Communities In Schools neighborhood partners, such as Sidewalk Chalk and Kiawah, tutors have successfully assisted students in magnet and regular classes. In addition, community partners have sponsored field investigations and activities to build background knowledge.

The Advanced Studies Magnet-Haut Gap became a partial magnet in 2009-2010 when it inducted its beginning sixth grade class. The magnet program offered an exciting range of honors levels courses and electives to sixth graders the first year. Each year hereafter, a grade level will be added. In addition, in 2010-2011, a fifth grade magnet will be available to area students in an effort to better prepare fifth graders for the upper grade-level challenging, magnet program. To further meet the needs of all students, a Sixth Grade Academy will be focusing on providing differentiated, strategic instruction to students experiencing below grade-level achievement.

Paul H. Padron, Principal
Olivia Burch, SIC Chairperson
